

# 40 Years of Success

For over 40 years Dr. Pierce's Family Medicines have kept the lead and still stand in the front rank as curative agents.

They are little advertised now, as compared with many others, resting, as they do for popularity upon their many years of marvelous cures and the grateful friends they have made.

They must know of many cures of bad cases of Female Weakness and Kindred Ailments of Women due to the use of

## Dr. Pierce's Favorite Prescription

IT MAKES WEAK WOMEN STRONG.

SICK WOMEN WELL.

It's the only advertised medicine for woman's ills which contains neither alcohol (which to most women is worse than rankest poison) nor habit-forming, or injurious drugs and the makers of which are not afraid to print all its ingredients on its outside wrapper. Is that not significant?

## Dr. Pierce's Golden Medical Discovery

Is equally renowned for its many cures of Stomach Weakness, Indigestion, Torpid, or Lazy, Liver and kindred derangements, as well as for Blood and Skin affections. In many ailments of women the combined use of these two medicines is advised.

It's only a dishonest dealer, here and there, that will attempt to persuade you to accept a secret nostrum in place of these time-proven remedies of KNOWN COMPOSITION. Resent the insult to your intelligence and trade elsewhere.

## ONE REPUBLICAN SORRY THAT HE WAS ELECTED

NEW YORK, Nov. 12.—A Republican who was elected to congress in North Carolina, and who bemoans the fact, is in New York. He is John Motley Morehead, a well-to-do woolen mill operator, who reluctantly accepted the nomination, refused to campaign and did not expect to win. When the votes were counted, however, it was found he had defeated Aubrey Brooks, the Democratic candidate, in the Fifth district.

The unwilling statesman is now on his way to Washington to obtain a residence for himself and family, still persisting that he is a "business man" and ignorant of politics.

Despite Mr. Morehead's personal apathy his campaign managers saw, as the campaign progressed, that he had a good chance for victory and laid the case before the Republican national committee.

A liberal donation was the result and the major portion of this was devoted to work in the Fifth district, with the outcome that a Republican, albeit almost rebellious, was elected and will serve in the next house of representatives.

**Inward and Outward.**  
The inward effects of humors are worse than the outward. They weaken all the organs, inflame the mucous membrane, cause catarrhal troubles, and endanger the whole system.

Hood's Sarsaparilla eradicates all humors and cures all their effects. It's the great alternative and tonic medicine whose merit has been everywhere established.

## CURRENCY LEGISLATION NOT LIKELY THIS YEAR

WASHINGTON, Nov. 12.—Congressman John W. Weeks of Boston, chairman of the subcommittee on banking laws of the congressional joint currency commission, talked with the president today. He expressed the opinion when leaving the White House that there would be no currency legislation passed at the coming session of congress, but said it was not unlikely that a bill changing the banking laws would be introduced. He believed certain changes in the national banking act, based on recommendations of the comptroller of the currency and experienced bankers, would be embodied in the measure. He thought the bill might not be passed at this session, but its introduction would afford time for full consideration and clear the way for its passage at the next session.

**Colds and Croup in Children.**  
"My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41 Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough, but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup. As soon as he shows any signs of croup I give him Chamberlain's Cough Remedy for three or four days, which prevents the attack." This remedy is for sale by all druggists.
